Plaintiff,	
VS.	MOTION OF
	WRIT
KING COUNTY ET AL	
defendant.	

MR. Canty respectfully requests this writ to be granted by either the Judge or the magistrate. MR. Canty needs the proper tools to move forward in this Civil Case, such as a "pro se" package.

What is included in King County Correctional facility's "pro se" package for inmates who have Civil Case numbers is pads of paper, envelopes, erasers, pencils, printing paper. King County Correctional facility is knowingly, intentionally, willfully,

and maliciously hindering MR. Canty's Civil Case pertaining to CV-1655 and at the same time creating great hardships for MR. Canty, and of course this facility is fully aware of their actions. MR. Canty has filed three claim for damages Tort Claim forms against King County and Risk Management is in receipt of them and has assigned a claims investigator.
